Tournament

Sterling Mace

Incredible looks, unbelievable roundness, awesome thick fills, vibrant colours, excellent marking ability and amazing consistency describe the fundamental components that make the Sterling "Mace" product one of the best performance value combinations available in paintball.

Walk-On

Sterling Claymore

Sterling Claymore offers the ultimate combination of value and reliability. It is the clear choice for the discerning recreational player seeking a paintball that can be counted on time and time again. "Claymore" was developed as an entry-level paintball with durable shell and attractive basic appearance.

Woodsball

Sterling Mirage

Sterling Mirage is the very latest product from Sterling Paintballs. The Mirage blends into the environment but leaves a clear mark upon impact. Making it the perfect paintball for woodsball players who like to have an advantage over the competition.

Training paint

Sterling Shield

Sterling's budget conscious paintball line is perfect for high volume team practice, tournament drills and entry level field use. Shield is the perfect paintball to choose when lower cost and consistent reliability are needed. Colours will vary. Availability is limited due to high demand.
